
Patient Participation Group (PPG)

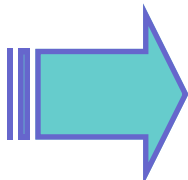

King Edward Street's patient group gives you the chance to have your say on health services that matter to you.

The patient group allows you to:

- find out how you can help your local surgery
- share your views
- let us know what additional services you would like to see at the surgery

Want to know more? Please take a leaflet.

If you have any questions or need further information about this, please contact Matthew, Practice Manager on: 01865 242657 or Jack Mahoney, PPG Chair on: jmahoney663@gmail.com
